**To whom it may concern:
Fax # 850-245-6017**

According to a discussion that you had with my accountant this morning there is no record of a payment that I made Back in April 2004 with my annual report. So I was instructed to fax you a copy of the check, front and back, that was cash on April 21, 2004 along with another copy of my annual report.

After speaking to Mrs. Elva in your office she said after receiving a copy of the check that it was cash by the department of revenue and misapplied. I have since spoken to the department of revenue and they a refunding me the \$150.00

I am enclosing a new check for \$150.00 and another 2004 annual report and am asking that my records be updated. I am enclosing also a copy of the misapplied check to show you that it was cashed on April 21, 2004 and that the report would have been on time if no mix up had happened. Please take this into consideration and your help is greatly appreciated.

Thank You
