Re: Document #P02000121515

September 5, 2003

To Whom it May Concern:

As per our telephone call earlier this morning to the Department of Corporations, we are writing this letter to let you know that we did not receive the most recent form for the 2003 Business Report. However, we did just receive the "File Now" notice. We are a new business and have not been completely aware of the situation. And thus became quite upset at the ramifications of the delay.

When we called your office this morning, we were told that we had to take care of this today. Would it be possible to excuse us from paying the penalties as we are a new business.

Enlosed, please find our check in the amount of \$150.00 for renewal.

Thanking you in advance for your consideration.

Sincerely,

Michelina Di Gennaro Carol Teitelbaum
