To Whom It May Concern:

We recently sent in a letter stating that we never received our original notice to file the annual uniform business report. The only notice we received was the second one which had the late fee added. It said that if we didn't receive the original notice to write a letter stating such when we send in our annual report fee. We sent in the \$150 fee with a letter stating that we did not receive the original notice – please waive the \$400 late fee. We received this letter back and when we called in, it was because we sent it to the wrong address and this is the address they gave us. Please contact us if there is any problem.
