To Whom It May Concern:

I would like to inform you that I have a Profit Corporation by the following name:

EVERGREEN LAWN & LANDSCAPING SERVICES, INC.

Doc. # P02000130889

I am writing this letter in response of your letter dated on July 23rd that I just have received (attached). The above-mentioned corporation has its articles filed with Florida department of State-Division of Corporation on 12/12/2002. I bought this corporation on June 1st, 2003 and, unfortunately, the old president told me that he didn't receive the original Annual Business Report form and for this reason he didn't pay it. I never had a business in Florida, I didn't even know about the UBR until my accountant told me about it.

Although I want to be in accordance with all Florida laws and statutes about my corporation we have no condition to pay more \$400 now. I just started to work with this company, I am beginning to prospect my clients, I have already invested all the money that I have buying tools and supplies those are essentials to my business.

I have spent my last available financial resources in the effort to pay the original fee of \$150 and you have already cashed the check that I've sent to you. If I were in charge of this corporation before May 1st I would certainly pay the UBR on time.

As all of this happened against my will at the first place, I really would like to ask you please to consider my petition and wave the Reinstatement Fee of \$400, as I did the first payment on the total amount of \$150.00 to file UBR 2003, and now that I am clear about how things work with the UBR and I can assure you this will never happen again in the future.
