To whom it may concern:

I am writing this letter to dispute the fact of filing my UBR late. I never recieved an ititial form or letter stating that a UBR was to be filed for 2003. This corporation was formed mid December of 2002 and was not susposed to go into effect until Jan 2, 2003. I was under the assumption that the corporation was all set for 2003, so I in fact was never expecting that this needed to be done. Having never recieved any notification that a UBR was needed only reaffirmed that this was not necessary. In fact when I called an agent early in September she also agreed with me that I only needed to send in \$150.00 which I promptly did. Any consideration or leeway you could give me in this misunderstanding would be greatly appreciated.

Sincerely
Jeff Parlow
