Mr. Dunlap,

I am personally sending you my check so I can explain the reason I am late. I also discussed this over the phone with you and we agreed that it would be ok send the check in with my reason.

My incorporation paper work said I was incorporated as of January 2, 2003. I thought that I did not have to pay until the following year, however, when I called you I was informed that I had to pay this year before May 1st because my paper work was filed on December 30th. To further complicate matters, my paper work was entered in the Division of Corporations computer with the incorrect date of December 30 2003, thus, not allowing your system to send me a UBR because technically I was not incorporated yet. You did correct the error in your system when I spoke with you. Please accept my check for the enclosed amount along with this letter.

Best Regards,
Derek Striker
