STATEMENT OF FACT

200421739612

I, Gloria A. Hammers hereby make the following statement of fact regarding the dissolution of Auto Sports of Daytona, Inc., a Florida corporation, with Document number P03000001836.

My husband, Charles W. Hammers created this corporation in 2003, and he and I were always the sole directors and officers. He operated a used car business at 1872 N. Nova Road, Daytona Beach, FL 32117. My husband passed away on May 17, 2021.

I closed the business and sold the real property where it operated after he died and did not renew the corporation.

On Monday, March 24, 2024, I received a telephone call from a woman who said that she found me as Vice President in the state records and wanted to report that she recently had purchased a car from the business, which she found in an on-line advertisement, had sent \$18,000 by wire transfer and had not received the car.

I immediately looked at Sunbiz and saw that a person I have never heard of, Jay A. Malick, had reinstated the corporation, naming himself as president and registered agent. This filing was without my consent or knowledge. The filing still shows me as vice president and secretary and still shows the EIN of the corporation.

I contacted your office and received a response telling me that I could dissolve the corporation and I could send a statement with the facts.

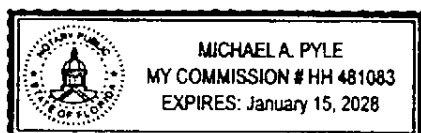

I swear that all the information contained herein is true and correct.
