You apparently did not read or just totally disregarded my correspondence dated 4/28/2004. Due to incompetent state employees, we do not expect or warrant a \$400⁰⁰ late fee.

April 28, 2004

Dear Dept. of State,

I am the accountant for the above named taxpayer. We have requested a copy of taxpayer's 2004 Corporate Annual Report so we ~~could file by the due date of April 30, 2004. Today is April 28 and~~ we still have not received the report. Therefore we are sending a check for the filing fee of \$ 150.00 so taxpayer cannot be deemed late. There have been no changes to the corporation since its inception and should you need a report filed, please send to the taxpayer's address and we will be happy to sign and return.

Sincerely yours,

Thomas A. Mahoney

Addendum: As I was addressing this letter the report was received in the mail. However the incompetent State Employee sent the wrong report. When I spoke to her on 4/22 she said she would send the report and I requested it be sent to my address. She said she would and so I asked her to confirm the information since time was of the essence. She stated my address and the corporate name as Nancy Flower. I stated the proper name and asked her to double check her records for accuracy and she stated "I'm pretty sure it was correct". When I insisted she double check she stated "I've already booted out of the system and can't go back in". Obviously you can see she did not correctly send the right report. I find it troubling that taxpayers are now expected to either download and print returns or do the work on line for jobs that are the responsibility of the government and when we seek help we are either ignored or given substandard help. Tax returns and corporate annual reports are filings forced upon taxpayers by the government and now the government wants us to also do the job of the Dept. of Revenue, State and Unemployment. Does this mean the size of the Florida Government and staff will greatly be reduced and we will save tax dollars? I sincerely doubt it.
