Dear Annette Ramsey,

As per our conversation on Thursday, July 24, 2008, I am writing you this letter to have my name removed as an officer of Integrity Title Group, Inc. I have no association and have never had any affiliation with this company. I believe my name was fraudulently added to this company as an officer. The address that is listed on the company for me doesn't even belong to me. I would greatly appreciate you removing my name from this company.

If you have any questions, you can reach me at 305-469-4038. Thanks in advance for your time and effort in this matter.

Sincerely,

Octavia L. Sampson
