Division of Corporations:

On 7/6/04 I spoke with someone from your office and questioned why I was being charged \$400.00 in late fees for not filing our 2004 for profit corporation annual report.

This is the first time we have had to file since we formed the corporation and we did not receive any notice about the timing of this report.

We have not yet filed our tax return for our first year in business and we thought the tax return was also part of the report you wanted us to file.

We had filed for an extension on our tax return but did not realize the time frame to file the annual report for the corporation was May 1,

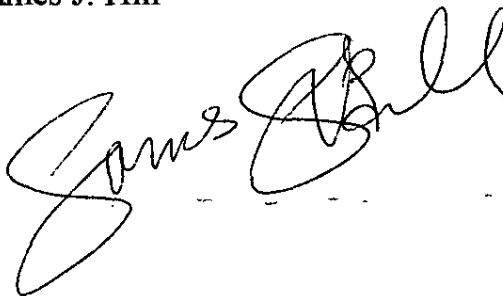

I now understand that it is not part of the report we must file each year.

After talking with a gentleman on the phone from your office he told us to write a letter stating that we did not receive any notice from the state and that the late charges would be waved.

I am enclosing a check for \$150.00 dollars and in the future will make sure this is paid before May 1, of each year.

Thank You James J. Hill
