(a) Regular Dividends. Each holder (a "Holder" and, collectively, the "Holders") of the Series A Convertible Preferred Shares shall be entitled to receive dividends at the specified rate. Such dividends shall be cumulative from (and including) such Preferred Share's Issuance Date and shall accrue daily, whether or not earned or declared, thereafter until paid and be calculated on the basis of a 360 day year. Dividends shall be payable in cash; provided, however that in lieu of paying such dividends in cash, the Company may, at its option, pay any or all of such dividends by delivery of a number of shares of Company common stock valued at \$.25 per share subject to adjustment as set forth herein.

(b) Participating Dividends. In the event any dividend or other distribution payable in cash or other property is declared on the Common Stock each Holder on the record date for such dividend or distribution shall be entitled to receive per Preferred Share on the date of payment or distribution of such dividend or other distribution the amount of cash or property that would be received by the Holders of the number of shares of Common Stock into which such Preferred Share would be converted pursuant to this Section 1(b) immediately prior to such record date.

Holder's Conversion Right. Subject to the terms and conditions set forth herein, at any time or times on or after the Issuance Date, any Holder of Series A Preferred Shares shall be entitled to convert any whole number of Preferred Shares into four (4) fully paid and nonassessable shares of Common Stock. The Company shall not issue any fractional shares of Common Stock upon any conversion. All shares of Common Stock (including fractions thereof) issuable upon conversion of more than one Preferred Share by a Holder thereof shall be aggregated for purposes of determining whether the conversion would result in the issuance of a fraction of a share of Common Stock. If, after the aforementioned aggregation, the issuance would result in the issuance of a fraction of a share of Common Stock, the Company shall round such fraction of a share of Common Stock up to the nearest whole share.

(c) Taxes. The Company shall pay any and all taxes that may be payable with respect to the issuance and delivery of Common Stock upon the conversion of Preferred Shares.

(d) Adjustments to Conversion Price and Number of Shares to be Received. The Share Conversion for the holders of the Series A Convertible Preferred Shares will be subject to adjustment from time to time as provided in this Section.

(i) Adjustment in Number of Shares to be received upon Subdivision or Combination of Common Stock. If the Company at any time subdivides (by any stock split, stock dividend, recapitalization or otherwise) one or more classes of its outstanding shares of Common Stock into a greater number of shares, the conversion ratios will be adjusted proportionately increased. If the Company at any time combines (by combination, reverse stock split or otherwise) one or more classes of its outstanding shares of Common Stock into a smaller number of shares, the Fixed Conversion Price in effect immediately prior to such combination will be proportionately increased.

(2) Reservation of Shares.

(a) Authorized and Reserved Amount. The Company shall, at all times so long as any of the Preferred Shares are outstanding, reserve and keep available out of its authorized and unissued Common Stock, solely for the purpose of effecting the conversion of the Preferred Shares, such number of shares (the "Reserved Amount") of Common Stock as shall from time to time be sufficient to effect the conversion of all of the Preferred Shares. The initial number of shares of Common Stock reserved for conversions of the Preferred Shares and each increase in the number of shares so reserved shall be allocated pro rata among the

Holders of the Preferred Shares based on the number of Preferred Shares held by each Holder at the time of issuance of the Preferred Shares or increase in the number of reserved shares, as the case may be. In the event a Holder shall sell or otherwise transfer any of such Holder's Preferred Shares, each transferee shall be allocated a pro rata portion of the number of reserved shares of Common Stock reserved for such transferor. Any shares of Common Stock reserved and allocated to any Person which ceases to hold any Preferred Shares shall be allocated to the remaining Holders of Preferred Shares, pro rata based on the number of Preferred Shares then held by such Holders.

(3) Voting Rights.

Holders of our Series A Preferred Shares shall have no voting rights, except as required by law, including but not limited to the General Corporation Law of the State of Florida, and as expressly provided herein.

(4) Liquidation, Dissolution, Winding-Up.

In the event of any voluntary or involuntary liquidation, dissolution or winding up of the Company, the Holders of the Preferred Shares shall be entitled to receive in cash out of the assets of the Company, whether from capital or from earnings available for distribution to its stockholders (the "Liquidation Funds"), before any amount shall be paid to the holders of the Common Stock

(5) Preferred Rank.

All shares of Common Stock shall be of junior rank to all Preferred Shares in respect to the preferences as to distributions and payments upon the liquidation, dissolution and winding up of the Company. The rights of the shares of Common Stock shall be subject to the preferences and relative rights of the Preferred Shares.

4.4 Denial of Preemptive Rights: No holder of any shares of the Corporation of any class now or in the future authorized shall have any preemptive right as such holder (other than such right, if any, as the board of directors in its discretion may determine) to purchase or subscribe for any additional issues of shares of the Corporation of any class now or in the future authorized.
