To Whom It May Concern:

Please find attached copies of faxed correspondences requesting status change on the following companies. We hope that this has taken affect. The companies' at this location are all new as of last year and since then, we have done little if no business out of them. This is why we requested the status change. Considering this, we were not sure about the report filing. We have just changed accountants and were instructed to file for the two active companies. We are hoping that with our previous status change and a bit of new company filing confusion, you will be able to waive the additional fees. Please feel free to contact me for any questions, comments or further requests.

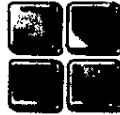

Thank you,
