Re: R & R Sprinklers of Naples Inc..
UBR

Gentlemen:

Enclosed you will find a UBR and a check for \$150.00 for the above named taxpayer.

We recently purchased an accounting practice from their prior accountant. After we reviewed the files of the clients we became aware that he had not notified them of the new requirements to file on line and they did not receive their postcard from you. The accountant had been experiencing memory losses and did not adequately help his clients. We request that the additional penalty be abated. There was no intent on the taxpayer to defraud the government and if they had been aware of the filing requirements would have done so in a timely fashion.

We respectfully request that the penalty be abated for the year. The change in filing requirements has been a confusing one for many taxpayers. The taxpayer also attempted to have a professional help them with their filing requirements, but unfortunately and to no fault of the taxpayer, he was unable to help them. Thank you for your consideration in this matter

If you need additional information or have any questions, please do not hesitate to contact us.

Sincerely,

Nancy M Neibaur, CPA
