(Typed or printed name of person signing)

President  
(Title of person signing)

ARTICLE III of the Corporation's Articles of Incorporation is hereby amended by adding the following paragraph:

Upon the filing of this Amendment to the Articles of Incorporation, each share of the Corporation's common stock, par value \$.001, issued and outstanding immediately prior to March 8, 2010 (the "Effective Date"), will be automatically converted into .7032349 shares of common stock, par value \$.001 of the Corporation. The number of shares issued and outstanding prior to the reverse stock split were 1,023,618. Any stock certificate issued immediately prior to the Effective Date will, from and after the Effective Date, automatically and without the necessity of presenting the same for exchange, represent the number of shares of the new common stock as equals the product obtained by multiplying the number of shares of the old common stock immediately prior to the Effective Date by .7032349 (the "Reverse Stock Split"). The number of shares issued and outstanding after the Reverse Stock Split is approximately 719,844. The Corporation shall not issue fractional shares in connection with the Reverse Stock Split, rather, the holder of each such fractional share shall be entitled to receive one full share.

The total number of authorized common stock will not be affected by the reverse stock split.
