To whom it may concern:

This letter is to inform you that I am not, nor have I ever been a VP, or any other officer with Jimmy Ads, Inc. I was listed without my knowledge and would like to have my personal name removed immediately.

I am a graphic designer and did several freelance projects for Jimmy Ads, Inc., but never did I agree nor was it brought to my attention that I was to be listed as an officer for this corporation. This was done completely without my knowledge.

Please let me know if there is anything further I am supposed to do in this matter.

Thank you for your attention.
