RE: Healthier With Us Service, Inc.  
Document# P03000055543

To Whom It May Concern:

This letter is to address the non-payment for the re-instatement of my corporation: Healthier With Us Services, Inc. located at 1850 S.W. 8 Street #305 Miami, FL 33135. On Monday June 5, 2003, I hired an office manager, whose duties entailed the responsibility of accounts payable and receivable, payroll, billing/collections, customer service, basically handling all of the corporations' responsibilities. Over the course of about two years, things at my business were not running as smoothly as I anticipated. On August 17, 2005 my office manager's employment was terminated for not successfully fulfilling her managerial duties. That was when I came to find out that not only had my light, phone, and Zephyrhills bills had all been either past due, late or on final notices, and to top things off my corporation had been inactive for the past two years. I would consult with my office manager once a month to discuss employees, bills, and other issues regarding the corporation. The office manager would let me know what was due and I would supply her with the office account check card, she would retract money from the bank and make out money orders and send them to their designated places. However, I was completely unaware that my hard earned money was being stolen and misspent by an office manager who was recommended to me by a business acquaintance, who was hired to handle the payments of the bills from that office.

In turn, I am asking with my sincerest apologies to re-instate my corporation. At this time I would like to state that I completely understand my wrong doing in this situation, not being as involved as I should of was a huge mistake on my part which I have paid for in an immense way. I would also like for you to know that in no way or form did the lack of payment for the corporation have to do with a lack of money. It was simply a case of putting faith in a person whom I thought was incapable of such a terrible act. I sincerely thought my office expenses were being paid off and in full.

Thank you for taking the time to take my plea and apology into consideration.

Sincerely,

  
Juan Jose Cardenas
