To whom it May Concern

This letter is in response to your letter stating that due to your department not receiving a 2004 Annual report form my business cannot continue to operate.

An Annual corporate report was filed before the May 1 deadline however, it was returned to my office For corrections. The correction was made immediately and returned to your office without delay. For unknown reasons it was not received by your office and the report was not filed.

I spoke with a representative from your office and was advised that my check was received and deposited And that the correction was somehow not processed and that I was to write this letter explaining the situation and resend the correction form so the report could be filed.

I appreciate your attention in this matter . Please feel free to contact me with any further questions you may have regarding this issue.

Thank You,
Thomas Trawinski - President
