Dear Ms. Poole,

I'm writing on behalf of Glades Health & Fitness Center. I have filed a dissolution for Glades Health & Fitness Center, because the filing was originally done incorrectly. I have no intentions of revoking the name "Glades Health & Fitness Center" from any future business owner who may want to use the name in the future. Also, I'm attempting to reincorporate my business with the same name, only change is that the new business will be filed as a for-profit business.

Sincerely,

*Randy L. Burden Jr.*
