Dear Sir or Madam,

Along with the letter is attached a copy of the Articles of Correction of the entity stated above. I spoke to Mrs. Darlene Connell, an employee of your division, regarding the status of Telecomunicaciones Express, Inc. The original document was mailed during the last week of July 2003, therefore should have been received within a week of the date it was mailed. To this date the check sent with the original document has not been cashed. My worry is that after an amount of time the Articles of Correction were no longer applicable to this type of case. And an amendment had to be filed. This would have been a great inconvenience to us as well as our client.

Mrs. Connell was kind enough to discuss it with her supervisor. Which allowed us to resent a copy of such correction along with a letter explaining the situation and a check payable to Division of Corporations containing the fee charged to proceed. Thank you for cooperation and I will be following up on the correction through your website.

Respectfully,

  
MARIA J. TAMI
