I've had this Company not quite a yr. This was my first Corporation so I'm not too familiar as to how to go about this. I received a postcard of Notice of Intent To Dissolve & that is what I wish to do. It has been a nightmare with having to keep 3,000 balance in my business account. I originally put my own money into the account to open it. As of June 30 I am no longer needing this Corporation so I wish to dissolve it. I understand that I must pay a \$35.00 fee to do this, of which I am enclosing.

I had an idea this would supplement my retirement from United Airlines but it just didn't pan out.

I thank you for your kind attention to this matter.

Sincerely,
Helen Cataudella
