To Whom It May Concern,

For the past week and a half, I have been trying to file our annual corporation renewal online. I am not sure if it is my computer or your system, but it will not let me go all the way through the steps. I keep getting a "CGI timeout" which deletes the process. I called in on Wednesday, May 2nd to find out what to do and I was advised to mail in an explanation and a check for the renewal amount of \$150.00. Please let me know if you need any additional information.

Thank you!

Best Wishes,

Sheri Burg

The specified CGI application exceeded the allowed time for processing. The server has deleted the process.

This is what I kept getting
online.
