Florida Department of state Divison of corporations Tallahassee, Florida

My name is Emma Sangurima and I am the President/registered agent of Cavi Enterprises, Inc.

The purpose of this letter is in regards to the annual uniform business report that we are not current with. I would like to state that I submitted the form in the first week of august to file before the may deadline. We received a letter for you with reference No. 00000127575 stating that the form had not been filled out properly. To the best of my knowledge I filled out the form properly. We received a blank form and our original check was returned.

The first problem that I have is that we received this letter in mid june, which is already past the deadline. My other problem is that I have have been very sick for the last 2 months and have not been dealing with any company business and I have not been able to address this important matter.

I am requesting that you please allow me to Re-Submit this form and that you abate the penalty for filing after the may deadline. I am sending you the letter we received from your office, the report and the original check, I would be forever grateful that you understand the circumstances of this situation and grant us our petition.

Sincerely yours,

Emma Sangurima

President
