On May 1, 2007, this office attempted to file the Annual Report for Building Time, Inc., document number P03000103687. We were able to file on line but were unable to complete the transaction for payment. The Division of Corporation was experiencing some difficulty and would not allow this firm to finalize the report. An attempt later in the evening showed that the Annual Report had been filed for the current year and that the company was not required to file again this year. However, payment for same has not been remitted. Attempts by telephone to connect with your office to verify this corporation's annual report status and/or internet assistance to remit payment have not been successful. Therefore, would you please contact the undersigned via e-mail or by telephone for directions on remitting payment for this company. Thank you.
