SECRETARY OF STATE
TALLAHASSEE, FLORIDA

We, the undersigned, hereby associate ourselves together for the purpose of becoming a corporation under the laws of the State of Florida by and under the provisions of the Statutes of said State, providing for the formation, liabilities, rights, privileges and immunities of corporations for profit.

FIRST: The name of this corporation shall be: **D & M FUN FACTORY, INC.** and its business shall be carried on in Broward County, Florida, and at such other points and places in the State of Florida and in the United States and foreign countries as from time to time may be authorized by the Board of Directors. Its principal office shall be at

3517 Del Mar Avenue, Davie, Florida 33328

SECOND: The nature of the business, and the objects or purposes to be transacted, promoted, or carried on by the corporation, are as follows:

(a) This corporation may engage or transact in any or all lawful activities or business permitted under the laws of the United States, the State of Florida or any other state, country, territory or nation.

(b) To acquire, hold, sell, reissue or cancel any shares of its own capital stock, provided, however, that this corporation may not use any of its funds or property for the purchase of its own shares of capital stock when such use would cause any impairment of the capital of this corporation, and provided further that the shares of its own capital stock belonging to this corporation shall not be voted directly or indirectly.

(c) To enter into, make, execute, perform and carry out contracts of any kind and description made for any lawful purpose, without limit as to amount, with any person, firm, association or corporation, either public or private, or with any territory or government or agency thereof.

(d) To borrow money, to draw, make, accept, endorse, transfer, assign, execute and issue bonds, debentures, promissory notes, and other evidences of indebtedness, and for the purpose of securing any of its obligations or contracts to convey, transfer, assign, deliver, mortgage and/or pledge all or any part of the property or assets at any time owned or held by this corporation, upon such terms as the Board of Directors shall authorize, and as may be permitted by law.

(e) To purchase or otherwise acquire the whole or any part of the property, assets, business and goodwill of any other person, firm, corporation or association, and to conduct in any lawful manner the business so acquired, and to exercise all the powers necessary or convenient in and about the conduct, management and carrying on of such business.

(f) To carry out all or any part of the foregoing objects as principal, factor, agent, contractor, or otherwise, either alone or in connection with any person, firm, association or corporation.

(g) To have and to exercise any and all powers and privileges now or hereafter conferred by the laws of the State of Florida upon corporations formed under the Acts hereinafter referred to or under any act amendatory thereof or supplemental thereto or substituted therefore.

Notwithstanding anything herein to the contrary, nothing herein contained shall be deemed to authorize this corporation to engage in or conduct in the State of Florida, or any State, the business of banking or operating a trust company or safe deposit company, building and loan association, surety company, or cooperative or benefit associations or societies, or cemetery companies.

The foregoing clauses are to be construed both as objects and powers; and it is hereby expressly provided that the enumeration herein of specific objects and powers shall not be held to limit or restrict in any manner the general powers of the corporation; provided, however, that nothing herein contained shall be deemed to authorize or permit the corporation to carry on any business, nor to exercise any power; nor to do any act which the corporation may not at that time lawfully carry on or do. It is the intention that the purposes, objects and powers specified in each of the paragraphs of this Article **SECOND** of this Certificate of Incorporation shall, except as otherwise expressly provided, be liberally construed and in no wise be limited or restricted by reference to, or inference from, the terms of any other clause or paragraph of this Certificate of Incorporation.

THIRD: The total number of shares and authorized capital stock of this corporation shall be divided into 100 shares having a no par value each. Such shares may be issued by the corporation, from time to time, for such consideration, and upon such terms as may be fixed, from time to time, by the Board of Directors. The Board of Directors may determine that only a part of the consideration which shall be received by the corporation for any of the shares of its capital stock, and which it shall issue, from time to time, shall be capital. Such consideration as may be received by the corporation for any of its shares in excess of that part thereof which is capital shall be surplus.

If it seems desirable so to do, the Board of Directors may, from time to time, issue scrip for fractional shares of stock. Such scrip shall not confer upon the holder or holders thereof any voting or other rights of a stockholder of the corporation, but the corporation shall, from time to time, within such time as the Board of Directors may determine, issue one whole share of stock upon the surrender of scrip for fractional shares aggregating one whole share if properly endorsed and if in registered form.

FOURTH: No holder of stock of the corporation shall be entitled, as of right, to purchase or subscribe for any part of the unissued stock of the corporation, or any stock of the corporation to be issued by reason of any increase of the authorized capital stock of the corporation, or bonds, certificates of indebtedness, debentures or other securities convertible into stock of the corporation, or any stock of the corporation purchased by the corporation or by its nominee or nominees. Cumulative voting shall not be allowed.

FIFTH: The amount of capital with which the corporation will begin business is not less than \$5,000.00

SIXTH: The names and places of residence of the original subscribers to the capital stock, and the number of shares subscribed for by each of them, and the amount paid in by each of them is as follows:

In case of a vacancy in the Board of Directors, a majority of the remaining members of the Board may elect directors to fill such vacancy.. Directors need not be stockholders.

TENTH: In furtherance, and not in limitation, of the powers conferred by the laws of the State of Florida, the Board of Directors is expressly authorized:

To make, alter, amend or repeal the By-Laws of the corporation, subject to the power of the stockholders, having voting power, to alter, amend or repeal the By-Laws made by the Board of Directors.
