I am writing in reference to 2006 for Profit Corporation Annual Report. As I began to write my check, I realized the fee had gone from my normal \$150.00 up to \$550.00, obviously I was alarmed at the rate increase and called the phone number on the bottom of the instruction page. I was immediately put in touch with someone, who began to explain to me that \$400.00 of this was a late fee. I told the women that I was completely unaware of this even being late, due to the fact that this was the first notification I received. She went onto tell me that I needed to remit a letter with my \$150.00 payment asking to please have the late fee waived. I have enclosed my check and I am requesting that my fee ~~please~~ be waived.

Sincerely

Brad Larker
