To Whom It May Concern:

Enclosed you will find the Annual Report for Document #P03000153364. I am requesting to have the late fee waived. I do recall receiving the notice from the Division of Corporations back in April, but unfortunately did not know what to do with it. I was under the impression that I needed some report from my accountant. Even after going online and printing out this form, I thought I would still need something else, of which I had no idea what that something was. It wasn't until I finally took the time to call on September 13, that the lady at the other end of the phone was kind enough to inform me that all I needed was the report that I had printed out. She also informed me that the only way to get the late fee waived was to send a letter requesting a waiver and explanation as to why we are late. I wish I could say I never received the notice, but unfortunately that is not the case, embarrassingly it was only a lack of business intellect on my part. I sincerely ask for your understanding, as with all this preparing for these hurricanes has left our funds quite depleted, but if rejected, I truly understand and will send the rest as soon as I hear back from you. Thank you for your time and I look forward to hearing from you soon.

Sincerely,

Mrs. Elisa Martin
