ARTICLE VII - SHAREHOLDERS' PREEMPTIVE RIGHTS
TO NEW ISSUES OF SHARES

Each share of stock of the corporation shall entitle the holder thereof to a preemptive right, for a period of thirty days, to subscribe for, purchase, or otherwise acquire any shares of stock of the same class of the corporation or any equity and/or voting shares of stock of any class of the corporation that the corporation proposes to issue or any rights or options that the corporation proposes to grant for the purchase of shares of stock of the same class of the corporation or of equity and/or voting shares of any class of stock of the corporation or for the purchase of any shares of stock, bonds, securities, or obligations of the corporation that are convertible into or exchangeable for, or that carry any rights, to subscribe for, purchase, or otherwise acquire shares of stock of the same class of the corporation or equity and/or voting shares of stock of any class of the corporation, whether now or hereafter authorized or created, whether having unissued or treasury status, and whether the proposed issue, reissue, transfer, or grant is for cash, property, or any other lawful consideration; and after the expiration of said thirty days, any and all of such shares of stock, rights, options, bonds, securities, or obligations of the corporation may be issued, reissued, transferred, or granted by the Board of Directors, as the case may be, to such persons, firms, corporations and associations, and for such lawful consideration, and on such terms, as the Board of Directors in its discretion may determine. ARTICLE VIII- TRANSFER OF SHARES RESTRICTIONS

The corporation shall restrict the transfer or registration of transfer of shares against any shareholder or a transferee of any shareholder and the restriction's existence duly noted conspicuously on the front or back of the certificate, as authorized by Chapter 607.0627, Florida Statutes. The secretary of the corporation shall endorse the following legend on each share certificate prior to its delivery to a shareholder:

"The shares of stock evidenced by this certificate may not be transferred, pledged, gifted, assigned, or encumbered except in accordance with the terms of the Articles of Incorporation of **IBIS DEVELOPMENT CORPORATION**, a copy of which is on deposit with the President of the corporation."

No shareholder shall transfer, pledge, assign, gift, or encumber all or any part of her shareholdings in the corporation except as provided in this Article. This restriction on the transfer or registration of transfer of shares shall be to maintain the corporation's status because it is dependent on the number or identity of its shareholders, including but not limited to preserving exemptions under the Internal Revenue Service laws as well as the close management relation between the founders of the corporation proper to protect the corporation against outside control, in accordance with Chapter 607.0627, Florida Statutes.

IBIS DEVELOPMENT CORPORATION, Articles of Incorporation

A retiring shareholder shall offer said shareholder's shares to the remaining shareholders in proportion to their respective holdings. If the remaining shareholders do not elect to buy their shares, any of the other shareholders may do so.

On the death of any shareholder, the corporation has the first option to buy, and the executor, administrator, or personal representative of the shareholder will sell to the corporation, all of the shares owned by the shareholder at the time of said shareholder's death at a reasonable book value price fixed by the corporation's directors if there is no outside market.

The directors may waive any requirement that shares be offered to the corporation before sale, and a majority shareholder may vote her shares to prevent the corporation from making a purchase of shares under this Article.

The corporation shall have the right to approve the transfer of the restricted shares, if the requirement is not manifestly unreasonable, in accordance with Chapter 607.0627, Florida Statutes.

The corporation, through its Board of Directors, may require that shares will not be transferred until the record holder pays all debts to the corporation. The corporation shall have a lien by contract according to this Article with the holder of shares indebted to the corporation. The right of the corporation to this lien shall be noted on the stock certificate.

The restriction on the transfer or registration of transfer of shares may prohibit the transfer of the restricted shares to designated persons or classes of persons, if the prohibition is not manifestly unreasonable, in accordance with Chapter 607.0627, Florida Statutes.

To insure or partially insure its obligation under this Article to purchase from the estate of a deceased or defunct shareholder of any nature the shares owned by such shareholder prior to her death or termination of entity, the corporation shall purchase, and shall continue in force by timely payment of premiums, the policies of insurance covering the lives of each of the shareholders its Board of Directors so deems adequate to insure. In the event any shareholder ceases to be a shareholder of the corporation or reduces her holding of the shares of the corporation, by voluntary transfer or otherwise, the corporation shall, as appropriate, terminate or procure a proportionate reduction in the face amount of insurance outstanding on the life of such shareholder, and in the event any shareholder increases her holding of the shares of the corporation, the corporation shall procure and maintain additional insurance on the life of such shareholder proportionate to the increase in the holdings of such shareholder.

In the event that a shareholder offers for sale shares whether to the corporation or another shareholder under the terms of this Article, the price of such shares shall be fixed as herein follows. The shares shall be sold/purchased at their book value determined by the net equity of the company at the time. Then an additional fifteen percent (15%) shall be paid above the previously described value determined. This shall apply only after the corporation has been in existence for more than one (1) year and the shareholder has maintained their ownership in the shares for the same period. This percentage shall increase to twenty percent (20%) after two years providing that all the previous conditions described in this paragraph are observed or exist. This paragraph's terms are of no validity in the event of a complete liquidation. The Board of Directors may dispense with this requirement upon proper majority vote.

In no event shall the corporation sell, transfer, or otherwise dispose of any of the shares of the corporation,

Said determinations will be made by a majority vote to a quorum consisting of directors who were not parties to such action, suit, or proceeding or by the shareholders by a majority vote of a quorum consisting of shareholders who were not parties to such action, suit, or proceeding.

The corporation is further authorized to purchase and maintain insurance for indemnification of any person as provided herein and to the extent provided under Florida law.
