Hello, I'm writing this letter today because of a problem that I'm having with, "The Department of State."

In January 2005, I received a letter implying that it was time to renew my corporation, Secur Installations Inc., for this year. On the letter it clearly stated to pay \$150.00 before May 1st 2005 or the fee will be \$550.00. So I acted then and paid the \$150.00, by check, on January 28, 2005 to The Department of State.

A couple of days later I received a phone call telling me the 2005 Annual Report Form was incomplete. The form was missing my signature. (Stephen J. Secur, president of Secur Installations Inc.) So I asked the person who had called me if there was anyway I could fax it back to them, they said yes. Unfortunately I don't have the fax number nor the name of the person I spoke to. Later on the next day I called back to make sure that they had received my complete annual report form. They said yes.

Yesterday, September 12, 2005, I received a phone call from a lady named, Olivia, from ATA Corporate Services, saying that they had yet to receive a payment and if they did not receive one by Friday, Secur Installations Inc., would be shut down. I gathered the information Olivia needed (bank statements, 2005 annual report forms, etc) and faxed it back to her. Olivia then called me back saying that the problem was that I did not pay ATA Corporate Services, that instead I paid, The Department of State. She also told me that I still needed to contact the State or my company will still be shut down on Friday.

Today, September 13, 2005, I called, "The Department of State and spoke to a woman by the name of Tina. I told Tina everything and she then looked in the computer and said they did receive my payment BUT they didn't get my 2005 Annual Report Form with my signature. I then told Tina that I faxed it back to them and her reply was that, "I don't know why anybody would tell you that you can fax that back, it needs to be mailed, no body should have said that." So then I told her if the application was incomplete why was my money taken out of my account that the check was written to. The question still remains,

Tina then told me all I needed to do was was get a new 2005 Annual Report Form, and write this letter about what has occurred these last two days. So enclosed is this letter, my new 2005 Annual report form, proof of payment, and my old annual report form that was faxed over back in February.

I'm sorry for any inconveniences on my behalf, I am willing to do what needs to be done to help stop the Corporation from shutting down. If you have any questions please feel free to contact me at (386) 216-8342, (386) 216-3896

Deanne M. Maltacea

president of Secur Installations Inc.

Thank You
