To Whom It May Concern:

I received the attached letter from you, stating that you had received my annual report/uniform business report and my check for \$150.00, but that the report had not yet been filed.

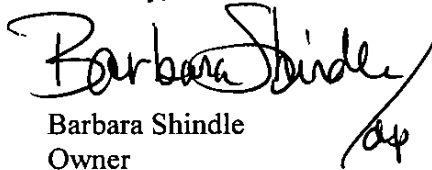

I just spoke with Eula from your office and was informed that this report isn't considered "filed" until you receive the late fee of \$400.00.

I am writing to you asking that you please waive this fee, just this once. This is the first year I have been Incorporated and was unaware of a filing deadline and/or late penalty. Eula explained to me that we should have received a postcard in January of this year stating that this report is due and is considered late after May 31<sup>st</sup>. I am positive that I never received such a notice. I did not know my report was late until I received this letter requesting the \$400.00 late fee.

I also apologize for not responding to this letter sooner. I have been working on an out-of-town project and was just home this past weekend to find this letter.

Any assistance you can provide me in this matter is greatly appreciated.

Sincerely,

  
Barbara Shindle
