I Ana Botteri have not given
any consent to be part of
Communications technology of
America, Inc

I would want to know who gave
my authorization for my name to
appear in that corporation without
my consent.

I would want to be removed from
that corporation a.s.a.p.

I'm divorce, have 3 kids and I
don't want to have any type of
problems with tes or other
identities.

Any questions please let me know

Best regards
