We apologize for the delay in our response.

Our servers started experiencing overloads a few days before and after the May 1st deadline. Reports were going through but people were timing out a number of times before getting through.

The report can still be downloaded and mailed in with the regular filing fee. Please do so as soon as possible though. If you did not receive prior notice to file you can still file online but when the report loads you'll need to check off the late fee waiver (if applicable LLC's and Non-Profits are not subject to a late fee) that is located next to the bold red paragraph. *no late fee waiver found*

If you are still having problems accessing the report please reply back to this message.

Thanks,

To Whom It may concern:

I own 2 corporations. Today I was able to file and pay online for one of them. H2H Publications, Inc. doc #p05000156349

However, it won't allow me to file for the second one. Personal Resort Services, inc. doc #p04000033768

I have been trying all day.....your website has stated that it cannot process at this time try again later.

So I have. I called and was placed on hold for several minutes and had to take another call.

I just assumed because it was the last day to file that maybe your system was tied up.

Can someone please contact me and inform me of how I can pay this so i am not charged a late fee.

I will continue trying online....hopefully it will work before midnight tonight.

Thank you so much for your time.

Best Regards,
Nichole Pailes
