Reason for Reinstatement of Corporation

I am sending this letter to inform you of the reason that this corporation was not reinstated on time. I was informed that because of the reason, it is still possible to obtain renewal of the corporation that was formed two years ago.

There has been a change in address a few times in the last year and the information to renew the corporation went to an old address. I never received anything in the mail, so I am assuming it was returned to sender. The current address is listed on the reinstatement form that is enclosed and also at the top of this letter. This is the second time I have sent this form to you because some information was left out and this letter was not included. A representative of the company has received the reinstatement fee and told me only to send the form and this letter.

Please help me to resolve this issue so I can continue doing business in the state of Florida. I thank you for any time and effort you have put forth to assist me.
