To whom it may concern:

I tried to pay online **the annual report** on May 1, 2007 and I was not able to do it. The website has not functioning. I got different error messages from the system every time I tried to open the application. I called the online support and I was not able to reach anyone. On May 2, 2007, I tried to download the report and open the application but the system was still not functioning. I called online support and one of you representatives told me to download the report in two days and to send this letter attached with my payment and I would not be penalized with the \$400.00 fee for late payment. He said the system had problems because the server could not handle all the users trying to pay at the same time.
