To whom it may concern,

I am just writing this letter to tell you that I was not notified that I had to do this form. If you check your information, you will see that I was never mailed anything about this. My accountant printed me off the form and checked that I was not notified since I am a fairly new company and never had to do this before. The amount on the form that was printed off was for \$150.00.

I am sending you a check for \$400.00 for the late fee anyway but I just want to ask to make sure that I am notified in the future by either a phone call or by mail when this report is due. If it something that I am just supposed to know about on my own, can you please let me know that so that I can mark it on a calendar somewhere.

Again, this is something that I was never notified of by anyone, so therefore it is not my fault, so if there is anyway that I will not be penalized, I would appreciate a refund of the \$400.00 check.

Thank you so much for your time, it is appreciated.

Thank you,

Lori Zuccola
