To: Florida Department of State

Division of Corporations / Barbara

Streamline Fence is writing this letter in response to a notice that our annual report/ uniform business report was not filed. The State has received the check for \$150.00, but has not filed our report. We were notified that we would be charged a late fee of \$400.00.

Streamline did in fact file the report by April 30, 2006. The State of Florida sent a letter approximately two months later stating that the report was incorrect and sent our check back. It also stated that we must fill out the enclosed report and resend it to the Division of Corporations by July 6, 2006 to avoid the late fee. This task was completed by Streamline fence. Since that time, we have received another letter saying that we owe the \$400.00 late fee. We are writing this letter to verify that we have done everything that the State has asked us to do, including sending in the correct amount and report by the original due date.

Please make note the Streamline has sent this letter and is requesting that the late fee be removed. Contact us with any questions you have. For additional information call us at 407-235-4189. We look forward to meeting the needs of your upcoming fence projects.

Sincerely,

Streamline Fence, Inc.
