2. NEW YORK CORPORATION's Common Stock. Any fractional interest with respect to which instructions shall not have been so received by the transfer agent within the prescribed period shall be sold. Buying and selling orders may be offset, but they will be exercised at prices determined by market transactions. The proceeds of any sale of a fractional interest shall be paid in cash by the transfer agent to the shareholder entitled to the fractional interest sold, except that the transfer agent shall not pay such proceeds to any holders of NEW YORK CORPORATION's common stock who shall not have surrendered his certificates for exchange pursuant to Paragraph 3 of this Article V, and shall retain such proceeds until such time as such certificates have been so surrendered.
