RE: Elevated Pressures Powerwashing, Inc.

Dear Mr Shivers,

Per our conversation, this letter shall verify that it is not our intention to reinstate the above noted company, dissolved in 2003.

If you please, forward a copy of the email you sent on 8/10/04 to elevatedinc65@aol.com. The email was not received at that email address as of this morning. Upon receipt of this letter, please contact me at 727/771-2256 to confirm receipt, to confirm it meets your requirements and to indicate it is appropriate for me to re-file our corporate information online.

As always, thank you for your attention and assistance in this matter.

Respectfully,

James Roy
President
