ARTICLE IV
CAPITAL SECURITIES

The total number of shares of capital stock that the Corporation shall have authority to issue is Forty Million (40,000,000) shares, consisting of two separate classes of capital stock divided and designated as follows: (i) Thirty Million (30,000,000) shares of Common Stock, par value \$0.0001 per share, (the "Common Stock"); and (ii) Ten Million (10,000,000) shares of Preferred Stock (the "Preferred Stock") including Six Million (6,000,000) shares designated as Series A Convertible Preferred Stock, par value \$0.0001 per share, (the "Series A Preferred Stock").

Except as otherwise restricted by this Articles of Incorporation, the Corporation is authorized to issue from time to time all or any portion of the capital stock of the Corporation that is authorized but not issued to such person or persons and for such lawful consideration as it may deem appropriate, and generally in its absolute discretion to determine the terms and manner of any disposition of such authorized but unissued capital stock.

Any and all such shares issued for which the full consideration has been paid or delivered shall be deemed fully paid shares of capital stock, and the holder of such shares shall not be liable for any further call or assessment or any other payment thereon.

The voting powers, designations, preferences, privileges and relative, participating, optional or other special rights, and the qualifications, limitations and restrictions of each class (and series) of capital stock of the Corporation are as hereafter provided in this Article IV.

A. SERIES A PREFERRED STOCK

The first series of Preferred Stock shall be designated "Series A Convertible Preferred Stock" and shall consist of Six Million (6,000,000) shares. The rights, preferences, privileges, and restrictions granted to and imposed on the Series A Preferred Stock are as set forth below.

1. Dividends.

(a) The holders of shares of Series A Preferred Stock, in preference to the holders of all Junior Securities, shall be entitled to receive, when and if declared by the Board of Directors out of funds legally available for the purpose, cumulative dividends as provided in this Section A.1. Cumulative dividends on each share of Series A Preferred Stock shall be payable in cash and shall accrue at the per annum rate of five percent (5%) on the Series A Purchase Price per share from the date of issuance thereof (the "Series A Preferred Dividends" and, the sum of the Series A Preferred Dividends and the Series A Purchase Price is referred to herein as the "Series A Liquidation Preference"). Series A Preferred Dividends shall be calculated annually in arrears on December 31 of each year, prorated on a daily basis for partial periods. Series A Preferred Dividends shall commence to accrue on each share of Series A Preferred Stock from the date of issuance thereof and continue to accrue thereafter until the Series A Liquidation Preference with respect to such share is paid in full in cash, whether or not such dividends are

((H06000046163 3))

((H06000046163 3)))

declared by the Board of Directors and whether or not there are profits, surplus or other funds of the Corporation legally available for the payment of dividends. Except as otherwise provided herein, if at any time the Corporation pays less than the total amount of dividends then accrued with respect to the Series A Preferred Stock, such payment shall be distributed ratably among the holders of Series A Preferred Stock based upon the aggregate accrued but unpaid dividends on the Series A Preferred Stock held by each holder.

(b) The holders of Series A Preferred Stock shall, in addition to the Series A Preferred Dividends, participate in all dividends and other distributions (other than stock dividends in the nature of a stock split or the like and repurchases of securities by the Corporation not made on a *pro rata* basis from all holders of any class of the Corporation's Capital Securities) that are declared and paid on Common Stock on the same basis as if each share of Series A Preferred Stock had been converted into Common Stock in accordance with Section A.3 immediately prior to the record date established for such dividends.

(c) Without the consent of the Requisite Series A Shareholders, so long as any shares of Series A Preferred Stock are outstanding, the Corporation shall not declare, pay or set apart for payment any dividends or make any other distribution on or redeem any Junior Securities (other than stock dividends and distributions in the nature of a stock split or the like), and will not permit any Subsidiary to redeem, purchase or otherwise acquire for value, or set apart for any sinking or other analogous fund for the redemption or purchase of, any Junior Securities; *provided*, however, that the Corporation may purchase, redeem or acquire shares of Common Stock and Convertible Securities issued to directors and employees of, and consultants to, the Corporation pursuant to equity incentive plans upon termination of employment or in accordance with other arrangements approved by the Board of Directors.

(d) All numbers relating to the calculation of dividends pursuant to this Section A.1 shall be equitably adjusted to reflect any stock split, stock dividend, combination, reorganization, recapitalization, reclassification or other similar event involving Series A Preferred Stock or Common Stock.

(e) Accrued and unpaid Series A Preferred Dividends shall be canceled upon the conversion of the Series A Preferred Stock into Common Stock as provided in Section A.3 hereof.

2. Liquidation Preference.

(a) Upon (i) any liquidation, dissolution or winding up of the Corporation, whether voluntary or involuntary, (ii) a Sale of the Corporation or (iii) a reorganization of the Corporation required by any court or administrative body in order to comply with any provision of law (each of the events referred to in clauses (i), (ii) and (iii) being referred to as a "Liquidation Event"), each holder of Series A Preferred Stock shall be entitled, after provision for the payment of the Corporation's debts and other liabilities and in preference to, and, before any amount or property shall be paid or distributed on account of any Junior Securities, to be paid in full in cash with respect to each share of Series A Preferred Stock out of the assets of the Corporation available for distribution to shareholders, an amount equal to the Series A Liquidation Preference. If upon

((H06000046163 3)))

((H06000046163 3))

any Liquidation Event the amount available for distribution among the holders of all outstanding Series A Preferred Stock is insufficient to permit the payment of the Series A Liquidation Preference of each share of Series A Preferred Stock in full, then the amount available for distribution shall be distributed among the holders of the Series A Preferred Stock ratably in proportion to the relative Series A Liquidation Preferences of the Series A Preferred Stock held by such holders, and the holders of Common Stock and of any other Junior Securities shall in no event be entitled to participate in the distribution of any assets of the Corporation in respect of their ownership thereof. Upon any Liquidation Event, after the holders of Series A Preferred Stock shall have been paid in full the preferential amounts to which they shall be entitled to receive on account of their Series A Preferred Stock as provided above in this Section A.2(a), the remaining net assets of the Corporation shall be distributed ratably among the holders of Series A Preferred Stock and Common Stock (with each share of Series A Preferred Stock being deemed for such purpose to equal the number of shares of Common Stock, including fractions thereof, into which such share of Series A Preferred Stock is convertible in accordance with the provisions of Section A.3 hereof).

(b) Consolidation, Merger, etc. Notwithstanding Section A.2(a), neither a Sale of the Corporation nor any reorganization of the Corporation of the type referenced in clause (iii) of Section A.2(a) shall be deemed to be a Liquidation Event for the purposes of this Section A.2 if the Requisite Series A Shareholders waive in writing the provisions of this Section A.2 with respect to such event.

(c) No Effect on Conversion Rights. The provisions of this Section A.2 shall not in any way limit the right of the holders of Series A Preferred Stock to elect to convert their shares of Series A Preferred Stock into shares of Common Stock in accordance with Section A.3 hereof prior to or in connection with any Liquidation Event.

3. Conversion into Common Stock. The holders of Series A Preferred Stock shall have the following conversion rights:

(a) Voluntary Conversion. At any time, each holder of Series A Preferred Stock shall be entitled, without the payment of any additional consideration, to cause all or any portion of the shares of Series A Preferred Stock held by such holder to be converted into a number of shares of fully paid and nonassessable Common Stock determined as hereafter provided in this Section A.3(a). The number of shares of Common Stock issuable upon the conversion of the Series A Preferred Stock shall be determined on the basis of the ratio that results from dividing (i) the Series A Purchase Price by (ii) the Conversion Price (as defined below) of the Series A Preferred Stock, both as in effect at the time of conversion. As of the Effective Time, the "Conversion Price" per share of the Series A Preferred Stock equals the Series A Purchase Price. The number of shares of Common Stock into which shares of Series A Preferred Stock are convertible and the Conversion Price are subject to adjustment from time to time as hereafter provided.

(b) Automatic Conversion. Each share of Series A Preferred Stock shall automatically be converted, without the payment of any additional consideration, into the number of shares of Common Stock provided for in Section A.3(a) immediately upon the consummation

((H06000046163 3))

((H06000046163 3))

of the Corporation's first underwritten Public Offering resulting in at least Twenty Five Million (\$25,000,000) Dollars of proceeds to the Corporation before underwriting discounts and commissions and offering expenses, and after giving effect to which the Corporation's Common Stock is listed on a U.S. national securities exchange or admitted for quotation on the Nasdaq National Market or a successor thereto (a "Qualified Public Offering"); *provided* that if a Qualified Public Offering is consummated, all outstanding shares of Series A Preferred Stock shall be deemed to have been converted into shares of Common Stock as provided in this Section A.3 immediately prior to such consummation.

(c) Procedure for Voluntary Conversion: Effective Date. Upon the election to convert the Series A Preferred Stock made in accordance with Section A.3(a), the holders of the Series A Preferred Stock making such election shall provide written notice of such conversion (the "Voluntary Conversion Notice") to the Corporation setting forth the number of shares of Series A Preferred Stock each such holder elects to convert into Common Stock (the "Elected Preferred Stock"). On the date the Voluntary Conversion Notice is delivered to the Corporation, such shares of Elected Preferred Stock shall thereupon be converted, without further action, into the number of shares of Common Stock provided for in Section A.3(a), and such number of shares of Common Stock into which the Elected Preferred Stock is converted shall thereupon be deemed to have been issued to such holders of the Elected Preferred Stock. Such holders shall as soon as practicable thereafter surrender to the Corporation at the Corporation's principal executive office the certificate or certificates evidencing the Elected Preferred Stock, duly assigned or endorsed for transfer to the Corporation (or accompanied by duly executed stock powers relating thereto), or an Affidavit of Loss with respect thereto. Upon surrender of such certificates or delivery of an Affidavit of Loss with respect thereto, the Corporation shall issue and deliver to the holder so surrendering such certificates or to such holder's designee, at an address designated by such holder, certificates for the number of shares of Common Stock into which such holder's Elected Preferred Stock shall have been converted. The issuance of certificates for shares of Common Stock upon conversion of Elected Preferred Stock will be made without charge to the holders of such shares for any issuance tax in respect thereof or other costs incurred by the Corporation in connection with such conversion and the related issuance of such stock. Notwithstanding anything to the contrary set forth in this Section A.3(c), in the event that the holders of shares of Series A Preferred Stock elect to convert such shares pursuant to Section A.3(a) in connection with any Liquidation Event, Public Offering or other specified event, (i) such conversion may at the election of such holders be conditioned upon the consummation of such Liquidation Event, Public Offering or the occurrence of such other specified event, in which case, such conversion shall not be deemed to be effective until the consummation of such Liquidation Event, Public Offering or the occurrence of such other specified event and (ii) if such Liquidation Event, Public Offering or other specified event is consummated or occurs, all shares of Elected Preferred Stock shall be deemed to have been converted into shares of Common Stock immediately prior thereto.

(d) Procedure for Automatic Conversion. As of the date of, and in all cases subject to, the consummation of a Qualified Public Offering, all outstanding shares of Series A Preferred Stock shall be converted automatically, without further action, into the number of shares of Common Stock provided for in Section A.3(a), and such number of shares of Common Stock

((H06000046163 3))

((H06000046163 3))

into which the Series A Preferred Stock is converted shall be deemed to have been issued to the holders of Series A Preferred Stock. Such holders shall as soon as practicable thereafter surrender the certificate or certificates evidencing the Series A Preferred Stock, duly assigned or endorsed for transfer to the Corporation (or accompanied by duly executed stock powers relating thereto) or an Affidavit of Loss with respect thereto. Upon surrender of such certificates or delivery of an Affidavit of Loss with respect thereto, the Corporation shall issue and deliver to such holder so surrendering such certificates or to such holder's designee, promptly (and in any event in such time as is sufficient to enable such holder to participate in such Qualified Public Offering) at an address designated by such holder, certificates for the number of shares of Common Stock into which such holder's Series A Preferred Stock shall have been converted.

(e) Fractional Shares; Partial Conversion. No fractional shares shall be issued upon conversion of any shares of Series A Preferred Stock. All shares of Common Stock (including fractions thereof) issuable upon conversion of Series A Preferred Stock by a holder thereof shall be aggregated for purposes of determining whether the conversion would result in the issuance of any fractional share. If any fractional interest in a share of Common Stock would, except for the provisions of the first sentence of this paragraph (e), be delivered upon any such conversion, the Corporation, in lieu of delivering the fractional share thereof, shall pay to the holder surrendering the Series A Preferred Stock for conversion an amount in cash equal to the current fair market value of such fractional interest as determined in good faith by the Board of Directors of the Corporation. In case the number of shares of Series A Preferred Stock represented by the certificate or certificates surrendered for conversion exceeds the number of shares converted, the Corporation shall, upon such conversion, execute and deliver to the holder thereof, at the expense of the Corporation, a new certificate or certificates for the number of shares of Series A Preferred Stock represented by the certificate or certificates surrendered that are not to be converted.

4. Adjustments.

(a) Adjustments for Subdivisions, Combinations or Consolidation of Common Stock. In the event the outstanding shares of Common Stock shall be subdivided by stock split, stock dividends or otherwise, into a greater number of shares of Common Stock, the Conversion Price then in effect with respect to Series A Preferred Stock shall, concurrently with the effectiveness of such subdivision, be proportionately decreased so that the number of shares of Common Stock issuable on conversion of any shares of Series A Preferred Stock shall be increased in proportion to such increase in outstanding shares. In the event the outstanding shares of Common Stock shall be combined or consolidated, by reclassification or otherwise, into a lesser number of shares of Common Stock, the Conversion Price then in effect with respect to each series of each class of Preferred Stock shall, concurrently with the effectiveness of such combination or consolidation, be proportionately increased so that the number of shares of Common Stock issuable on conversion of any shares of Series A Preferred Stock shall be decreased in proportion to such decrease in outstanding shares.

(b) Adjustments for Reclassification, Exchange and Substitution. If the Common Stock issuable upon conversion of the Series A Preferred Stock shall be changed into the same or a different number of shares of any other class or classes of stock or into any other securities or property, whether by capital reorganization, reclassification, merger, combination of shares,

((H06000046163 3))

((H06000046163 3))

recapitalization, consolidation, business combination or other similar transaction (other than a subdivision or combination of shares provided for above), each share of Series A Preferred Stock shall thereafter be convertible into the number of shares of stock or other securities or property to which a holder of the number of shares of Common Stock of the Corporation deliverable upon conversion of such share of Series A Preferred Stock shall have been entitled upon such capital reorganization, reclassification, merger, combination of shares, recapitalization, consolidation, business combination or other similar transaction if immediately prior to such capital reorganization, reclassification, merger, combination of shares, recapitalization, consolidation, business combination or other similar transaction such holder had converted such holder's Series A Preferred Stock into Common Stock. The provisions of this Section A.4(b) shall similarly apply to successive capital reorganizations, reclassifications, mergers, combinations of shares, recapitalizations, consolidations, business combinations or other transactions. The Corporation shall not effect any Sale of the Corporation that is not, in accordance with Section A.2(b), a Liquidation Event unless prior to or simultaneously with the consummation thereof the successor Corporation or purchaser, as the case may be, shall assume by written instrument the obligation to deliver to the holders of Series A Preferred Stock such shares of stock, securities or assets as, in accordance with the foregoing provisions, each such holder is entitled to receive.

(c) Adjustment of the Conversion Price Upon Issuance of Additional Shares of Common Stock. In the event the Corporation shall at any time after the Effective Time issues or sells, or in accordance with Section A.4(e) is deemed to have issued or sold, any shares of Common Stock or Convertible Securities without consideration or for a consideration per share less than the applicable Conversion Price in effect immediately prior to such issue or sale ("Additional Shares of Common Stock"), then and in such event, such Conversion Price shall be reduced, concurrently with such issue or sale, to a price determined by multiplying such Conversion Price by a fraction, (A) the numerator of which shall be the sum of (1) the number of shares of Common Stock Deemed Outstanding immediately prior to such issue or sale, plus (2) the quotient of (x) the aggregate consideration, if any, received or receivable by the Corporation on account of such issue or sale divided by (y) the Conversion Price in effect immediately prior to such issue or sale; and (B) the denominator of which shall be the sum of (1) number of shares of Common Stock Deemed Outstanding immediately prior to such issue or sale plus (2) the number of shares of Common Stock so issued or sold or, in accordance with Section A.4(e), deemed to have been issued or sold.

(d) Multiple Closing Dates. In the event the Corporation shall issue on more than one date Additional Shares of Common Stock that are comprised of shares of the same series or class of Preferred Stock, and such issuance dates occur within a period of no more than one hundred twenty (120) days, then, upon the final such issuance, the applicable Conversion Price shall be readjusted to give effect to all such issuances as if they occurred on the date of the final such issuance (and without giving effect to any adjustments as a result of such prior issuances within such period).

((H06000046163 3))

((H06000046163 3)))

(e) Effect of Certain Events on Conversion Prices. For purposes of determining the adjusted Conversion Price with respect to Series A Preferred Stock under Section A.4(c), the following shall be applicable:

(i) Issuance of Convertible Securities. If the Corporation in any manner grants, issues or sells any Convertible Securities, whether or not the rights to exercise, convert or exchange any such Convertible Securities are immediately exercisable, and the price per share for which Common Stock is issuable upon such exercise, conversion or exchange is less than the Conversion Price in effect immediately prior to the time of such grant, issue or sale, then the maximum number of shares of Common Stock issuable upon the exercise, conversion or exchange of such Convertible Securities shall be deemed to be outstanding and to have been issued and sold by the Corporation at the time of the grant, issue or sale of such Convertible Securities for such price per share. For the purposes of this paragraph, the "price per share for which Common Stock is issuable" shall be determined by dividing (x) the total amount received or receivable by the Corporation as consideration for the grant, issue or sale of such Convertible Securities, plus the cumulative minimum aggregate amount of additional consideration, if any, payable to the Corporation upon the exercise, conversion or exchange thereof and, if applicable, the exercise, conversion and exchange of any other Convertible Securities that such Convertible Securities may be converted into or exercised or exchanged for (in each case, as set forth in the instruments and agreements relating thereto, without regard to any provision contained therein for a subsequent adjustment of such consideration), by (y) the total maximum number of shares of Common Stock issuable upon the exercise, conversion or exchange of all such Convertible Securities (as set forth in the instruments and agreements relating thereto, without regard to any provision contained therein for a subsequent adjustment of such number). No further adjustment of the Conversion Price shall be made when Common Stock and, if applicable, any other Convertible Securities, are actually issued upon the exercise, conversion or exchange of such Convertible Securities. If the Corporation issues any Convertible Securities that entitle the holder thereof, *inter alia*, both (i) to exercise, convert or exchange the same into or for Common Stock or otherwise to participate with the holders of Common Stock in distributions upon the occurrence of a Liquidation Event and (ii) the payment of a fixed or defined sum (such a sum being referred to as the "Preference Payment"), the Preference Payment of such Convertible Securities shall be ignored for purposes of determining the "total maximum number of shares of Common Stock issuable upon the exercise, conversion or exchange of all such Convertible Securities" for purposes of clause (y) above.

(ii) Change in Exercise Price or Conversion Rate. If the additional consideration payable to the Corporation upon the exercise, conversion or exchange of any Convertible Securities, or the rate at which any Convertible Securities are convertible into or exchangeable for Common Stock should change at any time, the Conversion Price that is in effect at the time of such change that was adjusted in accordance with Section A.4(e)(i) upon the issuance of such Convertible Securities shall be readjusted to the Conversion Price that would have been in effect at such time had such Convertible Securities that are still outstanding provided for such changed additional consideration or changed conversion rate, as the case may be, at the time such Convertible Securities were initially granted, issued or sold; and on the termination date of any right to exercise, convert or exchange such Convertible Securities without such right having been exercised, the Conversion Price then in effect hereunder shall be

((H06000046163 3)))

((H06000046163 3)))

adjusted to the Conversion Price that would have been in effect at the time of such termination had such Convertible Securities, to the extent outstanding immediately prior to such termination, never been issued.

(iii) Exceptions for Excluded Securities. Notwithstanding the foregoing, no adjustments shall be made under Section A.4(c) and (e) with respect to the issue of any Excluded Securities.

(iv) Valuation of Non-Cash Consideration. The consideration received by the Corporation for the issue of any shares of Common Stock, Convertible Securities or any other Convertible Securities that such Convertible Securities may be converted into or exercised or exchanged for shall be computed as follows:

- (A) Insofar as such consideration consists of cash, such consideration shall equal the aggregate amount of cash paid or payable to the Corporation prior to amounts paid or payable for accrued interest or accrued dividends and prior to any commissions or expenses paid by the Corporation;
- (B) Insofar as such consideration consists of property other than cash, such consideration shall be calculated at the fair value thereof at the time of such issue, as determined in good faith by the Board of Directors; and
- (C) In the event shares of Common Stock, Convertible Securities or any other Convertible Securities that such Convertible Securities may be converted into or exercised or exchanged for are issued together with other securities or other assets of the Corporation for consideration that is allocable to both such Common Stock and Convertible Securities, and to such other securities and assets, the portion of such consideration allocable to such Common Stock or Convertible Securities shall be that set forth in the instruments and agreements issued or entered into in connection with such transaction, and if no such allocation is so set forth, then the portion of such consideration allocable to such Common Stock or Convertible Securities, calculated as provided in clauses (A) and (B) above, as determined in good faith by the Board of Directors.

(f) Certificate as to Adjustments. Upon the occurrence of each adjustment or readjustment of the Conversion Price pursuant to this Section A.4, the Corporation at its expense shall promptly compute such adjustment or readjustment in accordance with the terms hereof and furnish to each holder of Series A Preferred Stock a certificate setting forth such adjustment or readjustment and showing in detail the facts upon which such adjustment or readjustment is based and the Conversion Price then in effect. The Corporation shall, upon the written request at any time by any holder of Series A Preferred Stock, furnish or cause to be furnished to such holder a like certificate setting forth (i) such adjustments and readjustments, (ii) the Conversion

((H06000046163 3)))

((H06000046163 3)))

Price at the time in effect, and (iii) the number of shares of Common Stock and the amount, if any, of other property that at the time would be received upon the conversion of such holder's Series A Preferred Stock.

(g) Rounding. All calculations under this Section A.4 shall be made to (i) the nearest one cent or (ii) the nearest share or (iii) the nearest one percent, as the case may be.

5. Reservation of Stock Issuable Upon Conversion. The Corporation shall at all times reserve and keep available out of its authorized but unissued shares of Common Stock, solely for the purpose of effecting the conversion of the issued or issuable shares of Series A Preferred Stock, such number of its shares of Common Stock as the case may be, as shall from time to time be sufficient to effect the conversion of all outstanding shares of Series A Preferred Stock, and if at any time the number of authorized but unissued shares of Common Stock shall not be sufficient to effect the conversion of all then outstanding shares of Series A Preferred Stock, the Corporation will take all such corporate action as may be necessary to increase its authorized but unissued shares of Common Stock to such number of shares as shall be sufficient for such purpose.

6. No Closing of Transfer Books. The Corporation shall not close its books against the transfer of shares of Series A Preferred Stock in any manner that would interfere with the timely conversion of any shares of Series A Preferred Stock in accordance with the provisions hereof.

7. Listing on Securities Exchanges, etc. The Corporation will list on each national securities exchange and NASDAQ on which any Common Stock may at any time be listed, subject to official notice of issuance upon the conversion of the Series A Preferred Stock, all shares of Common Stock from time to time issuable upon the conversion of Series A Preferred Stock pursuant to this Articles of Incorporation and will maintain such listing as long as any Common Stock is listed.

8. Notice.

(a) Liquidation Events, Extraordinary Transactions, Etc. In the event (i) the Corporation establishes a record date to determine the holders of any class of securities who are entitled to receive any dividend or other distribution or who are entitled to vote at a meeting (or by written consent) in connection with any Liquidation Event or (ii) any Liquidation Event is approved by the Board of Directors and the Corporation enters into any agreement with respect thereto, the Corporation shall mail or cause to be mailed by first class mail (postage prepaid) to each holder of Series A Preferred Stock at least ten (10) days prior to such record date specified therein or the expected effective date of any such transaction, a notice specifying (A) the date of such record date for the purpose of such dividend or distribution or meeting or consent and a description of such dividend or distribution or the action to be taken at such meeting or by such consent, (B) the date on which any such Liquidation Event is expected to become effective and, in the case of a Sale of the Corporation, the identity of the parties thereto, and (C) the date on which the books of the Corporation shall close or a record shall be taken with respect to any such event.

((H06000046163 3)))

((H06000046163 3)))

(b) Waiver of Notice. The Requisite Series A Shareholders may at any time upon written notice to the Corporation waive, either prospectively or retrospectively, any notice provisions specified herein, and any such waiver shall be effective as to all holders of Series A Preferred Stock.

(c) General. In the event that the Corporation provides any notice, report or statement to all holders of Common Stock, the Corporation shall at the same time provide a copy of any such notice, report or statement to each holder of outstanding shares of Series A Preferred Stock.

B. VOTING.

1. Voting Generally. The holder of each share of Series A Preferred Stock shall vote with holders of Common Stock, voting together as single class, upon all matters submitted to a vote of shareholders. For such purpose, each holder of Series A Preferred Stock shall be entitled to the number of votes per share of Series A Preferred Stock as equals the largest number of shares of Common Stock into which each share of Series A Preferred Stock may be converted pursuant to Section A.3 on the record date fixed for the determination of shareholders entitled to vote or on the effective date of any written consent of shareholders, as applicable. Fractional votes shall not, however, be permitted and any fractional voting rights resulting from the above formula with respect to any holder of Series A Preferred Stock shall be rounded to the nearest whole number (with one-half rounded upward to one). There shall be no cumulative voting.

2. Class Voting. The Holders of Series A Preferred Stock may vote as a separate single class on any proposed amendment to these Amended and Restated Articles of Incorporation which will adversely affect the rights, privileges, and preferences of Series A Preferred Stock or otherwise designate a class of Preferred Stock that will have rights, privileges and preferences *pari passu* or senior to those of Series A Preferred Stock.

C. OTHER SERIES OF PREFERRED STOCK

1. General. Shares of Preferred Stock in addition to Series A Preferred Stock may be issued in one or more series at such time or times and for such consideration or considerations as the Board of Directors may determine. Each such series of Preferred Stock shall be so designated as to distinguish the shares thereof from the shares of all other series and classes.

2. Designation, Voting Powers, Preferences, etc. Authorized and unissued shares of Preferred Stock may be issued with such designations, voting powers (or no voting powers), preferences and relative, participating, optional or other special rights, and qualifications, limitations and restrictions on such rights, as the Board of Directors may authorize by resolutions duly adopted prior to the issuance of any shares of any series of Preferred Stock, including, but not limited to: (i) the distinctive designation of each series and the number of shares that will constitute such series; (ii) the voting rights, if any, of shares of such series and whether the shares of any such series having voting rights shall have multiple or fractional votes per share; (iii) the dividend rate on the shares of such series, any restriction, limitation, or condition upon the payment of such dividends, whether dividends shall be cumulative, and the dates on which dividends are payable; (iv) the prices at which, and the terms and conditions on which, the shares

((H06000046163 3)))

((H06000046163 3))

of such series may be redeemed, if such shares are redeemable; (v) the purchase or sinking fund provisions, if any, for the purchase or redemption of shares of such series; (vi) any preferential amount payable upon shares of such series in the event of the liquidation, dissolution, or winding-up of the Corporation, or the distribution of its assets; (vii) the prices or rates of conversion at which, and the terms and conditions on which, the shares are convertible; and (viii) such other preferences, powers, qualifications, rights and privileges, all as the Board of Directors may deem advisable and as are not inconsistent with law and the provisions of this Articles of Incorporation.

D. COMMON STOCK

1. General.
