(o) The Corporation shall not do any act which would make it impossible to carry on the ordinary business of the Corporation.

(p) All data and records (including computer records) used by the Corporation or any Affiliate of same in the collection and administration of any loan shall reflect the Corporation's ownership interest therein.

(q) None of the Corporation's funds shall be invested in securities issued by, nor shall the Corporation acquire the indebtedness or obligation of, any Affiliate of same.

(r) When acting on matters subject to the vote of the Directors, notwithstanding that the Corporation is not then insolvent, the Directors shall take into account the interest of the Corporation's creditors, to the maximum extent consistent with applicable law.

(s) The Corporation shall maintain an arm's length relationship with each of its Affiliates and may enter into contracts or transact business with its Affiliates only on commercially reasonable terms that are no less favorable to the Corporation than is obtainable in the market from a person or entity that is not an Affiliate of same.

(t) The Corporation shall correct any misunderstanding that is known by the Corporation regarding its name or separate identity.

For purposes of these Articles of Incorporation, Affiliate means any person or entity, including, but not limited to, the Company, which directly or indirectly through one or more intermediaries controls, is controlled by or is under common control with a specified person or entity. For purposes hereof, the terms "control", "controlled", or "controlling" with respect to a specified person or entity shall include, without limitation, (i) the ownership, control or power to vote ten percent (10%) or more of (x) the outstanding shares of any class of voting securities or (y) beneficial interests, of any such person or entity, as the case may be, directly or indirectly, or acting through one or more persons or entities, (ii) the control in any manner over the shareholder(s) or the election of more than one director or trustee (or persons exercising similar functions) of such person or entity, or (iii) the power to exercise, directly or indirectly, control over the management or policies of such person or entity.
