Dear Amendment Section,

Recently, it has come to my attention the above corporation added me onto their corporation documents without my knowledge or my consent. I understand that this was filed electronically so you would have no way of knowing that this was unauthorized and I had never signed anything giving them permission.

Please remove me from this corporation. Also, the address Cole Fence, Inc. used was an old mailing address for me; please send any correspondence to the above address. Please let me know when this is complete or if you have any further questions, please call me at (352) 585-7013.

I greatly appreciate your help in correcting this situation.

Yours truly,

  
Nancy Thomas
