Re: P. A. Hall, Inc.  
Document # P04000151491

I have attempted several times to download the forms for this 2006 filing. At 11:55 p.m. these forms were finally provided for entry to be downloaded. I have been unable to find a contact number to reach this office this year until finally the computer permitted entry to this web site. .

Upon receipt of a letter last year 2005, stating that I did not file a report or pay a registration fee, my reply was that I did not receive information about this and had no knowledge of such a requirement. I explained to a gentleman that this corporation was "not in a working status." He said it was necessary to send check for \$400 and that I would be refunded this amount upon checking their files. No information was ever received concerning this matter until I had received notice that no report was filed and \$400 was due. That was 2005. Refund was not received and I am at a loss to understand this matter. No action was taken in 2005 concerning any type of activity of a Corporation. I received no forms concerning a Corporation.

Now I have received Annual Report Notice that 2006 Annual Report is due by May 1, 2006. This form shows the fee to file the profit annual report is \$150. There has been no profit made in as much as this corporation is not in service at this time. Is there a form for this type of filing? I am going to send check in the amount of \$150 with the request that this matter be cleared up. (check is to prevent assessment of a late filing fee.) The forms mentions "profit annual report." Where are the forms that require information of profit annual report?"

I do not understand this.
