To whom this may concern.

I am enclosing a \$ 150 check in this envelope to cover the annual fee for my new corporation. I know I am late and I by no means am trying to run out of this duty. I had a very complicated pregnancy and I just gave birth three days ago, having to do it three and half weeks earlier than expected for medical reasons. Business has not been as good as I expected and money has been really scarce. I understand I have a \$ 400 late fee charge and I know that your department has rules; I would love to pay it because I know I am late. But unfortunately at this time it is not possible due to my condition. If your office could pardon the late fee it would really help my situation and I assure you that this will never happen. Once again I understand that your office has rules and regulations and it is of my best intention to respect and follow them. I am looking forward to hearing back from you and getting a little understanding from your department.

Truly yours:

Jenny Madrid, President.
