Effective as of the date of filing of these Amended and Restated Articles of Incorporation with the Secretary of State of the State of Florida, each one share of the one thousand issued and currently outstanding shares of the Corporation's previously authorized capital stock (the "Prior Common Stock"), shall thereby and thereupon be automatically reclassified and converted into Two Thousand (2,000) validly issued, fully paid and nonassessable shares of Common Stock, resulting in a total of two million shares of Common Stock issued and outstanding upon the filing hereof. Each certificate that theretofore represented shares of Prior Common Stock shall thereafter represent the number of shares of Common Stock into which the shares of Prior Common Stock represented by such certificate were reclassified and converted hereby; provided, however, that each person holding of record a stock certificate or certificates that represented shares of Prior Common Stock shall receive, upon surrender of such certificate or certificates, a new certificate or certificates evidencing and representing the number of shares of Common Stock to which such person is entitled.
