Re: Corporate Filings

Dear Sirs,

Recently my office tried to electronically file the annual reports for the following corporations:

Infoplus, Inc.  
Adult Shopping Network, Inc.

Your electronic filing server was down when my office tried to file such. Your tech department was contacted and they indicated that the servers had been experiencing overloads the days before the May 1<sup>st</sup>, deadline.

I was informed to file such and that the late fee would be waived. (see exhibit "A" correspondence with your office) Please find enclosed the appropriate filing fees for the annual report filing.

Sincerely,

  
A.J. Comparetto

We apologize for the delay in our response.

Our servers started experiencing overloads a few days before and after the May 1<sup>st</sup> deadline. Reports were going through but people were timing out a number of times before getting through.

The report can still be downloaded and mailed in with the regular filing fee. Please do so as soon as possible though. If you did not receive prior notice to file you can still file online but when the report loads you'll need to check off the late fee waiver (if applicable LLC's and Non-Profits are not subject to a late fee) that is located next to the bold red paragraph.

If you are still having problems accessing the report please reply back to this message.

Thanks,
