Dear Sir or Madam:

Enclosed, please find the "Articles of Incorporation" for "Earthworks Concrete & Excavation, Inc.," This morning I had spoken to someone in your charter division and asked them if we could use the name "Earthworks Concrete & Excavation, Inc.," since there is already a "Earthworks Concrete & Excavation, LLC" on the Florida books. The lady had told me as long as the "Officers" remain the same on the new corporation as they did on its predecessor one there shouldn't be any problems changing it from an "LLC" to an "INC."

Attached, please find to this letter directly from the Florida web-site, the Charter Information on "Earthworks Concrete & Excavation, LLC." You will see that the Officer's will remain the same from one entity to the other; we are simply just trying to change its suffix.

In closing, should you have any questions on any of the enclosed, please feel free to give me a call.

Respectfully Yours,

Joe Miller  
Accountant
