Dear Department Representatives:

The nature of this letter is to clarify inconsistency that I have noticed in the submission of the corporations' "Medika Inc." company structure. My name is Enrique Berrios, thus to be as concise as possible the company Medika with the EIN# 010829494 has filled incorrect information regarding my involvement with the company. I have tried to resolve the matter with the registered agent, which is also the company's founder and President "ARROYO, INES". Arroyo, Ines has submitted electronically changes of officers since 2006 year up to 2008 and without my authorization placed me as acting Vice President then President.

Please note that at no time have I "Enrique Berrios" ever accepted the responsibilities of that corporation or any other activities in which they conducted under Arroyo, Ines administration. My involvement is simple; I am an investor and thus require a return on my investment. Above all what I want Florida Department of Corporations to do is prevent illegal submission of officer change without concrete evidence or require a formal letter with signature and acknowledgement of both parties excepting these changes. Also note that this is unacceptable under current conditions how frequent or malicious and easy these adjustments can be made without even notifying the parties involved.

In Conclusion remove me from the companies' corporation documents and do not accept any further submission of administrative positions unless written signed and notarized consent of such changes are made.

Best Regards,

Enrique Berrios
