This letter is in reference to A Florida Corporation, that I currently work for, putting me on As an officer of the corporation. The Corporation in Question is Stormy Monday, Inc. Fein# 20-228822 Located at 1515 Cherry Lake way Heathrow, FL, 32746.

There was an amendment done on 10/25/05 with out my permission. In the Articles of Amendment, it is stated that there was A vote. I was never made Aware of this vote and didn't participate. I AM A share holder of the company they are Doing business As, which is Affordable Custom Enclosures. I have no interest in being an officer of this Corporation, and find it hard to believe that Anyone can Add anyone on As an officer, without their knowledge or signature of some kind.

Around this time in question, the owner told me, they might be going bankrupt (chapter 7)! This leads me to believe that I'm an officer so the corporation can transfer Assets + leave me liable for major debt.

I have A successful corporation - Affordable Screening and Aluminum Repairs, INC, which has had no complaints in the 8 or 9 years of existence. I recently found out about this from An internet check, which means I had no idea I was An officer of this corporation and wish to be removed from it As soon As possible, like I said, there were meetings and haven't been one in the 9 months, I've been involved in the

I would very much appreciate Anything you can do for me by putting A "block" on me being An officer even after I'm removed.

Karen + I spoke on February 7th + she was very nice + I think she understands my vulnerable situation.

Thank You, Greg Oates president
