Every shareholder, upon the sale for cash by this corporation of any shares of new capital stock of the same kind, class, or series, as that which the shareholder already holds, shall have the preemptive right to purchase a pro rata share thereof (as nearly as may be done without the issuance of fractional shares) at the price at which such shares are offered to others. Before shares are offered for sale to persons or entities not incorporators listed in this document, the shareholders listed herein who are not selling their shares shall have the right of first refusal to buy said shares for the same price offered by any offeror for said shares. Furthermore, shareholder(s) individually or as a group that own at least 50% of the company has/have the right to end the relationship with the other owner(s) of the corporation by offering to buy all the shares of the other shareholders as a group (the remaining 50% of the company). Once such an offer is made, the offeree(s) must either accept the offer and sell their shares (as a group, the remaining 50% of the company) or force said person(s) who initiated the buyout offer to sell all of the shares (50% of the company) owned by him/them by buying his/their half ownership in the company for the same price as first offered to buy the initial offeree(s) out, thus ending the relationship.

ARTICLE VI

Such offer shall be in writing, signed by the shareholder, sent by registered or certified mail to this corporation at its registered office address, and open for acceptance by this corporation for a period of thirty days from the date of mailing. If this corporation fails or refuses, within such period, to make satisfactory arrangements for the purchase of such shares, the shareholder shall have the right to dispose of such shares without any further restrictions.
