1. Overall, how would you rate your experience when contacting the Department of State:

Excellent

2. Was the information you requested found on the Department's Website?

No

If you answered no, please tell us what you were looking for.

I was not able to pay by credit card; I wrote to link2gov, got a reply later that day - still could not pay - then had to leave for out-of-state meetings - when I returned, still could not pay. I have asked to be granted leniency on the \$400 late fee I suffered as a result. YES, I should have done all this before the final day. YES! I had no idea I would encounter this problem. And next year, I will file MUCH sooner. A difficult and very costly lesson. Is there ANY way you can lessen that \$400 penalty, given the Web site's problem of accepting credit cards?

3. Was your request for information or services completed within 5 business days or less?

Yes
