Annual Report Filed Falsely

STATEMENT OF FACTS

I, Oliver Pacheco, Owner and president of Valnic Inc, did not file my 2021 Annual report with State of Florida. I was notified by state that on 1/11/2021, someone filed my corporations annual report, removed me as president and changed mailing address of my company.

This person, who I do not know and has nothing to do with my company, Rojas Nesby, Filed my annual report on 1/11/21 and added themselves as President of my Company and change my companies mailing address to 401 N. Federal Hwy, Ste #412, Hallandale Beach, FL 33009.

Then on 1/12/21, 1 day after this person filing my annual report, Verizon Wireless, Business Dept, called me and informed me that Rojas Nesby had called and tried to order 7 iPhone's and have them shipped to the Hallandale Beach address.

I called the State of Florida and informed them of this. They informed me that this person had a company of similar name and maybe was error but to write statement. My Accountant, Adam Jacobs reviewed the Sun-biz website, found that the other company listed under Rojas Nesby name, was previously registered to Valerie Dahan (305-804-6736). He contacted this lady and found out that she said she let her business close back in 2016 and did not know this Rojas Nesby at all. He explained that this Rojas Nesby had reactivated her company in August of 2020 and added her own name and address to this company.

I am filing a police report and Valerie Dahan has asked I have police contact her also.
